

REMARKS

Claims 20, 22-26, 28, 29, 35, 37-41, 43, 44, 50, and 52-68 are pending with Claims 20, 25, 35, 40 and 50 being independent. Claim 50 has been amended to improve its form and Claims 52-68 have been added. Support for the new claims and claim changes can be found in the original disclosure, and therefore no new matter has been added.

Applicants respectfully request favorable reconsideration and withdrawal of the rejections set forth in the final Office Action dated June 3, 2008, in view of the amendments and the remarks provided in the June 3, 2008 Amendment After Final.

In addition, this Preliminary Amendment adds new dependent Claims 52-68 to recite additional novel features of the present invention. These new dependent claims are allowable for the reasons given for the independent claims in the June 3, 2008 Amendment and because they recite features that are patentable in their own right. Individual consideration of the dependent claims is respectfully solicited.

In view of the foregoing amendments and remarks, Applicant respectfully requests favorable reconsideration, withdrawal of the outstanding rejection, and passage to issue of the present application.

Applicant's undersigned attorney may be reached in our Washington, D.C. office by telephone at (202) 530-1010. All correspondence should continue to be directed to our below-listed address.

Respectfully submitted,

/Gary M. Jacobs/
